Secure Internet Bidding provided by
Bid Express®

A proven online proposal and bidding service that is convenient and cost-effective for vendors and owner-agencies

Owner-agencies use the Bid Express® service to streamline the solicitation management process online.

As an owner-agency, you can:

- **Assemble** and post a custom solicitation in minutes with drag-and-drop selections, and easily save and re-use your templates
- **Receive** sealed, secure, encrypted bids that are accurate, complete, and consistent
- **Eliminate** bid bond paperwork and authenticity concerns with online bond verification via S2000, Inc. and SuretyWave.
- **Automatically** communicate updates/addenda to your vendor community
- **Offer** plan sheets and proposal related documents online
- **Get** better prices when bidders can easily re-submit bids to accommdate last minute price cuts
- **Post** apparent results and bid tabs minutes after a bid opening
- **Increase** competition and participation with greater exposure online
- **Eliminate** redundant data entry, reduce paper and clerical errors

Discover your savings!

Time spent:
- Assembling bid packets
- Processing bonds
- Logging/securing bonds
- Tabulating bids

× **Employees' hourly rate & # of solicitations per year**

= $ **Your agency's ROI**

What else do I need to know?

- **Still want to offer a paper option?** Sure. Any bids submitted on paper can be entered into the system with an easy-to-use interface.
- **Worried about support and training?** Don't. The Bid Express team will notify and train your vendors. You and your bidders will also have access to exceptional live, toll-free customer support.
- **Want to do Internet bidding only?** No problem. Our training and communications teams help agencies and vendors transition from paper to Internet only through a proven, phased process.
- **How much does it cost?** Agencies can advertise and open unlimited solicitations with unlimited users and unlimited bidders.*
